HAMID HEIDARI

Software Developer

About Me:

I am a 28-year-old man with a great passion for technology and a strong interest in software development. I have completed Basic Course 2 in IT and Data Communication and am currently in an internship where I gain hands-on experience. Through self-study, I have developed solid skills in HTML, CSS, and JavaScript, and I am always eager to learn new technologies and tools. I thrive both in independent work and teamwork, and I take pride in delivering quality work. My ambition is to further develop my skills through an apprenticeship where I can contribute to meaningful projects and innovations

Language

- Danish
- English(basic)
- Persien

Expertise

- HTML
- CSS
- C#
- JavaScript
- Network
- Painter
- Tailor

Experience

School Internship
2024 – NOW
As a student and apprentice, I work with a wide range of technologies and tools, including:

- C#
- SQL
- Bootstrap
- GitHub

7-Eleven
Store Employee
2023 – 2025

As a store employee at 7-Eleven, I contributed to creating a positive customer experience and ensuring efficient store operations. My responsibilities included full responsibility for the store's operations as well as maintaining good relationships with both customers and colleagues.

International Christian Center (IKC)
volunteer
2021 - 2023

My tasks at the International Christian Center (IKC) included, among other things:

- Welcoming students in connection with classes
- Showing new students and guests around the building
- Handling coffee service and food serving
- Assisting with practical tasks, dishwashing, and cleaning

Education

- Lutheran Mission College (LMH) 2020-2021
- Primary School 10th Grade Exam (FS10) 2022-2023
- Primary School Graduation Exam (FSA) 2024
- Education
- TEC IT Data Communication (Basic Course 2) 2024

I'd really appreciate any feedback you might have on my application, if you have a moment to share.
